HPOG Conference December 1, 2016

Helping Students Say “Yes” to Opportunity

STUDENT SUCCESS
CONFIDENCE BUILDING
CULTURE

Student Success

1. Confidence Building

2. Culture

Objectives

1. Attendees will consider strategies to retain and assist students to become successful in the program and in the workforce.

2. Attendees will manifest care and concern for students they serve.

Strategies to Consider ⁽¹⁾

1. Early Engagement

- Establish relationships
- Sense of humor

Strategies to Consider

2. Demonstrate that you care

- Listen and observe
- Names
- Remember something about each student

Strategies to Consider

- Teach students to “think”
- Teach students how to “learn”
 - Tell a story

Strategies to Consider ⁽²⁾

Provide experiences to the bigger world

Examples:

- Organizational Culture
- Encourage students to ask questions
- Practice skills

Professional & Social Skills

Style Shifts

Meeting and Greeting

Professional Presentation

Dress

Language

Soft Skills

Practice skills in a safe environment

Post Program Component

1. Job Coach
2. Mentorship

Faculty Professional Development Training

Knowledgeable advisers

- Certifications
- Future education
- Career paths

Faculty Professional Development Training

Communication Skills

- Listening
- Content
- Feeling
- Meaning
- Observing
- Squaring
- Paraphrasing

Remembering Where I Came From

Hear My Voice

Hear my voice

And hear the pain

That sears my soul

Feel the pain of the little girl

Smell the scent of Brylcreem

That brings back memories

In a flash

Taste the salt

Know the tears heal

See the hands

That reach for the little girl

Know that it will not be forgotten

Embrace the love at should have been there

Set me free to live

A life without pain
