Medical Assistant	11 Months	Unitech

Essential Skills Workshops

PARTICIPATION HOURS

- Louisiana's Region 8 Labor Market covers sixty-five hundred square miles
- 2 Workforce Development Areas
- Region 8's population is the upward of 304,000
- 50% of that population resides within only one parish - Ouachita
- Balance of the total population resides within the remaining ten parishes.

Louisiana Delta Community College Campus

○ American Job Center

★ Louisiana Delta Community College Campus

What are Essential Skills Workshops?

- Employers state repeatedly the workforce is lacking the soft skills essential to be a good employee.
- Through the NELA Healthcare Alliance, employers identified the “essential skills” they feel are most important.
- PHOCAS developed monthly workshops targeting the essential skills identified by employers.
- Essential Skills Workshop Topics:
 - Communication with co-workers
 - Attitude
 - Dress
 - NETiquette (Cell Phone/Social Media)
 - Accountability
 - Time Management
 - Financial Literacy
 - Personal Resources

3290 FRONT ST WINNSBORO LA 71295

This document was supported by Grant 90FX0030 from the administration for Children and Families, U.S. Department of Health & Human Services (HHS). Its contents are solely the responsibility of the authors and do not necessarily represent the official views of HHS.

HPOG is a study funded by the federal government which is being conducted to determine how these training opportunities help people improve their skills and find better jobs. During the study, all new eligible applicants will be selected by lottery to participate in these training opportunities. Not all eligible applicants will be selected to participate in these opportunities.

LIFE MANAGEMENT

Everyone starts with the same amount of hours – so why do some people seem to get so much more done? An inability to manage time efficiently can leave anyone feeling stressed, overwhelmed, and unproductive.

- Time Management
- A Personal Resource Map
- Money Management Skills
- IT and Math Skills
- Continuing Education
